Welcome

You're getting married! Congratulations. We are so excited for you and can't wait to be involved in your big day.

We're based in Melbourne, Victoria but we service a wide range of areas all over Victoria. From intimate elopements to grand extravaganzas, we are here to help design and bring your vision to life.

Thank you so much for choosing us to be a part of the biggest and best day of your lives! It's going to be magical.

Our Team

Niddrie Flowers was established by David in 1992, we have over 30 years of experience in a wide range of floristry and event areas.

In that time, we have done hundreds of weddings, we have seen the trends change and develop and have been able to fine tune our own style whilst keeping with the vision of each of our couples.

We love that every single wedding we do is different from the next. We pride ourselves on working with only the best produce and where we can, we like to use seasonal, locally grown blooms.

Offerings

FULL SERVICE DESIGN

This is the whole package! Our full Service offering is for clients that want a personalised service; anything from bouquets, a variety of arrangements, large scale installations. You will be able to customise everything from colour palette, designs, floral inclusions and exclusions, ribbons, glassware, styling etc...

See more about what's included below!

FLORALS À LA CARTE

The À La Cart offering is more for couples who may only need a few floral arrangements, or don't require any onsite services. Whether it's an elopement, a micro wedding, you just don't want too many flowers or you're on a budget, this allows you to choose just the items that suit your needs.

All arrangements will be seasonal blooms in your preferred style and colour palette.

See more about what's included below!

Full Service Design

The full floral experience

The possibilities are endless with our full service design, allowing you to customise every inch of your wedding florals.

Typically this would involve flowers for the bridal party and then either or both reception and ceremony set ups.

You'll have unlimited options; centrepieces, hanging installations, arbors/backdrops, vignette/bar displays etc..

We will be available for both onsite set ups and bump outs if required.

Plus along with the actual designs, you'll receive a customised and detailed visual proposal of your design plan and you'll have access to our range of vases for hire.

You'll also be gifted a free toss bouquet and complimentary bridal party delivery.

Minimum spend - \$2000

FLORALS À LA CARTE

an affordable collection

Our "A La Carte" option allows you to select only the items you really need. It is perfect for a small wedding or if you're trying to keep things more affordable.

We will work within your chosen colour scheme and style, then using a seasonal collection of flowers we will create your designs.

This option does not have as much flexibility or customisation as the full floral design offers.

The A La Carte option has no minimum spend but is for either a simple delivery or pick up. It does not allow for onsite setups or bumpouts

You'll receive a simple visual proposal outlining the design plan for what you have ordered
